

MISSION STATEMENT

“Dust-A-Side’s mission is to continuously improve stakeholder value by providing world class haulroad and dust control management solutions in a safe, healthy and sustainable environment”

CORE VALUES

1. Safety and the Environment

- Safety is our primary responsibility
- Every action we take must conform to the highest standards of safety and protecting the environment in which we operate

2. Exceed Customer Expectations

- The quality of all our work must be world class
- We must treat our internal and external customers like royalty

3. Caring

- We are people of integrity
- We show respect and fairness to everyone we deal with
- We care for the communities we work in
- We care for our environment

4. Value Creation

- Everyone’s future at Dust-A-Side depends on value creation for our customers and shareholders
- We all play a vital part in creating a secure future

5. A Passion for Excellence

- Excellent thinking and attitude leads to excellent behaviour and work standards
- It all starts with each one of us – we can all make a difference
