

# Mission Statement and Core Values

Dust-A-Side's mission is to continuously improve stakeholder value by providing world class haulroad and dust control management solutions in a safe, healthy and sustainable environment

## Safety and the Environment

- Safety is our primary responsibility
- Every action we take must conform to the highest standards of safety and protecting the environment in which we operate

## Exceed Customer Expectation

- The quality of all our work must be world class
- We must treat our internal and external customers like royalty and deliver on what we say we are going to do

## Caring

- We are people of integrity and shall undertake business in an ethical manner
- We show respect and fairness to everyone we deal with
- We care for the communities we work in
- We care for our environment

## Value

- Everyone's future at Dust-A-Side depends on value creation for our stakeholders
- We all play a vital part in creating a secure future

## A passion for Excellence

- Excellent thinking and attitude leads to excellent behaviour and work standards
- It all starts with each one of us. We can all make a difference
